The Vanishing Viper: Priorities for adder conservation

A National Meeting: 8th - 9th October 2016

Draycott Memorial Hall, nr Cheddar, Somerset, BS27 3UE

Amphibian and Reptile Groups of UK (ARG UK) and Amphibian and Reptile Conservation (ARC) are proud to be able to announce the first national adder meeting. The meeting will address all aspects of adder conservation including:

- ◆ Strategic challenges and solutions for adder conservation
- ◆ Insights from survey and research
- ◆ Managing landscapes sympathetically for adders: opportunities and challenges
- ◆ Public interactions with adders – what messages should we be broadcasting?
- ◆ Site protection, regulation and policy issues
- ◆ Mitigating development impacts
- ◆ Prioritisation of threats and conservation actions for the adder

We will be hearing from a range of adder specialists including: Jim Foster (ARC), Steve Langham (SARG), Nigel Hand (HART), Richard Griffiths (DICE), Tony Gent (ARC), Trent Garner (IoZ), Rick Hodges (Krag), Pete Hill & Mark Barber (ARC), Paul Edgar (NE), Liz Howe (NRW), Lee Brady (Krag), John Baker (Suffolk ARG), John Dixon (RAGS), Chris Cathrine (Caledonian Conservation), Chris Monk (DARG), Jon Cranfield (Herpetologic), Darryn Nash (DICE), Gary Powell (ARC), Chris Gleed Owen (CGO Ecology), Mike Phillips (Krag).

For more information, to offer a poster or to book your place at this important meeting please go to www.arguk.org, or contact info@arguk.org

Generously supported by:
