KNOWLEDGE ▪ INNOVATION ▪ ENTERPRISE

The Birmingham and Black Country Amphibian and Reptile Group is proud to present:

An Evening of Herpetology

Join us for an evening of short talks on reptile microhabitat preference, amphibian drain ladders, and the impact of invasive non-native species. Refreshments will be provided throughout the evening. Following these talks, if you are interested in getting involved in local amphibian and reptile conservation please join us at afterwards our AGM.

If you would like to attend please email bbcarg@gmail.com

Time: 6-8pm

Date: 14th February 2019

Location: MA112, University of Wolverhampton, Wulfruna Street, Wolverhampton, WV1 1LY.

Price: Free for members of the group, £2 for non-members.
